

# Animation of Avatar Face Based on Human Face Video

Obtain information about face geometry  
from 478 landmarks

Calculate new transforms  
and apply them on avatar

Select one avatar  
out of many different avatars  
and adjust your scene settings

Connect multiple avatar animators  
to simultaneously animate  
multiple avatars

Martin Takács  
2022

Under supervision of:  
prof. Ing. Herout Adam, Ph.D.
