### Find More Space For Your Loved Activities

Because you will see where you are spending your time, you will be more in control of your time, enabling you to find more space for your loved activities.

Fig 1

## Adding Events To Timeline Is Easy

You will add events to your master plan in no-time and benefit from its clarity.

Fig 5

#### Organize Activities To Gain Clarity

Distribute your tasks into projects and labels while tracking frequent activities using blocks.

Fig 2

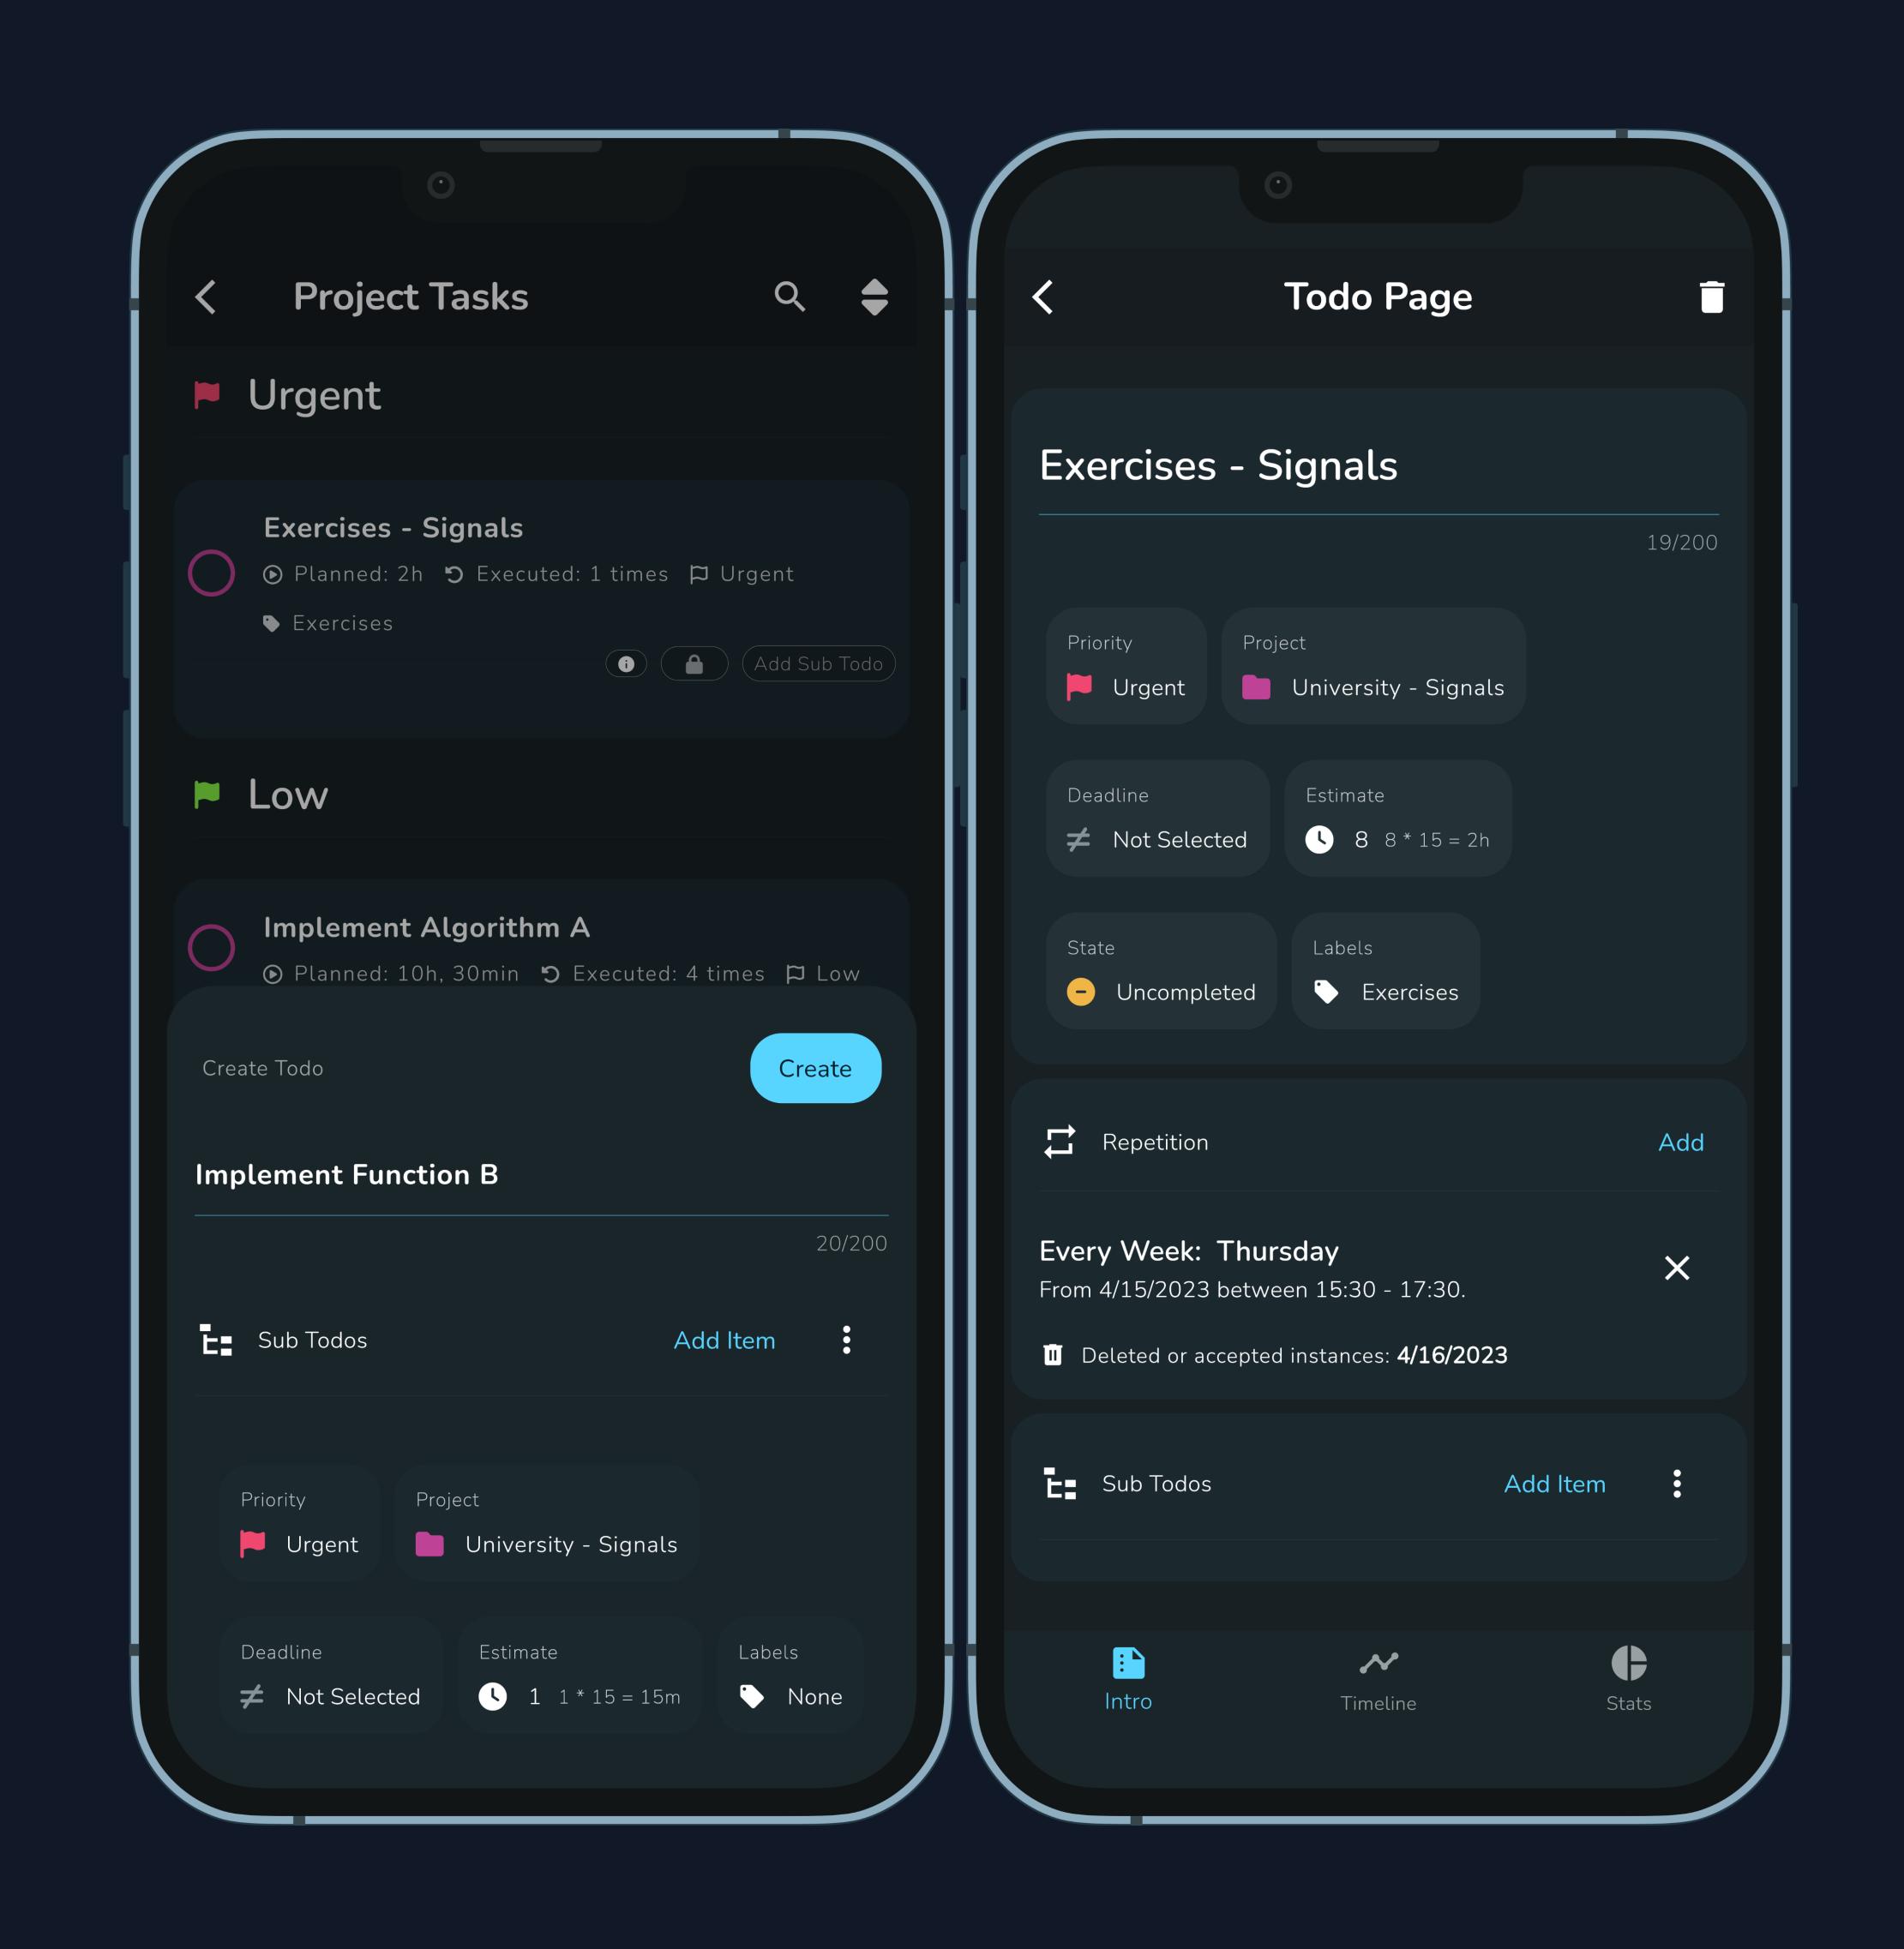

#### Use Tracking To Work Whole Day Effectively

Our body has limited powers to concentrate fully. Frequent breaks can help your body to recharge and keep your mind fast and sharp the whole day.

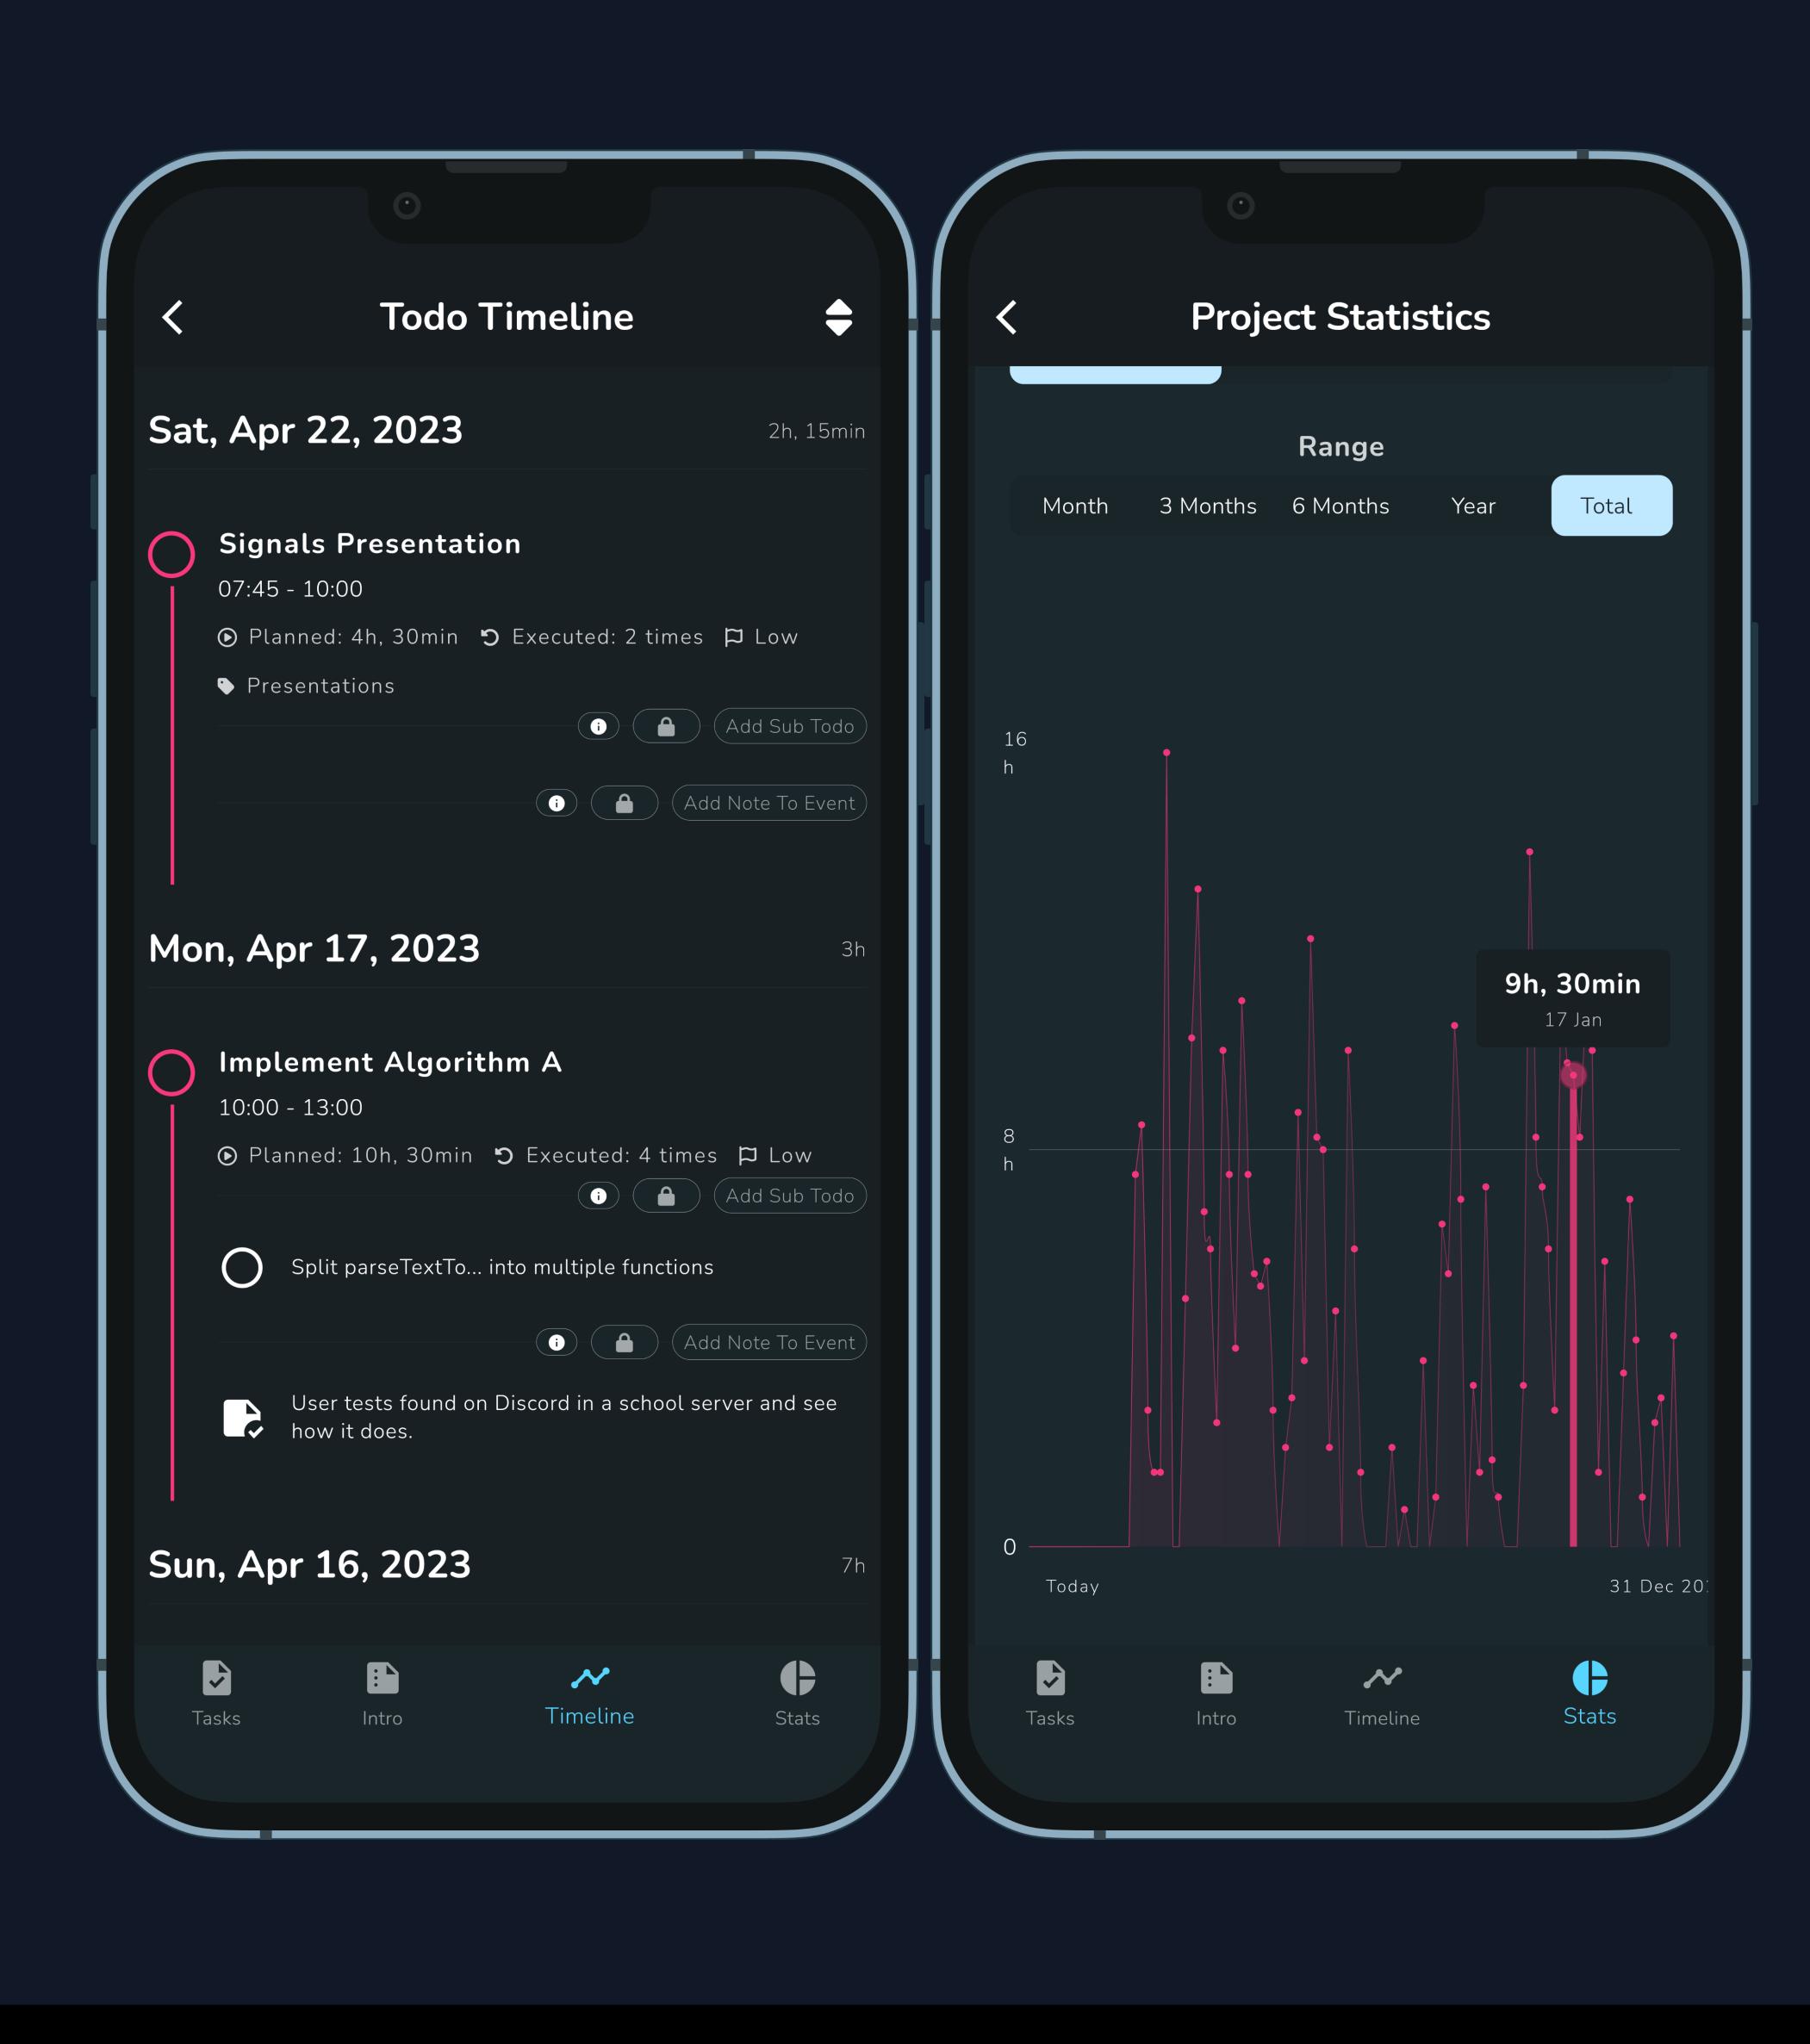

#### It's Easy To Create Tasks

Create tasks with as many details as you want and then see them sorted by priority, date of creation, or deadline.

#### Later On, You Can Analyze The History

As the saying goes: 'those who do not learn history are doomed to repeat it.' So let's better start finding weak spots;
